REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claim 1 is patentable over the prior art patents and printed publications because of the specific configuration of the multi-beam scanning device, which comprises a polygonal mirror that deflects the plural light beams and an optical system that converges the deflected light beams on a plurality of objects to be scanned, the plurality of objects being arranged on a side, with respect to said polygonal mirror, in which said light beams scan, from a position closer to said polygonal mirror to a position farther from said polygonal mirror, said optical system including a plurality of optical path turning systems that turn optical paths of the deflected light beams, each of said optical path turning systems comprising a first reflection surface, the first reflection surface of each of said optical path turning systems being separate from the first reflection surface of every other optical path turning system, each of said first reflection surfaces being positioned along a direction in which the light beams are deflected by the polygonal mirror, the optical path lengths of the optical paths being substantially the same, and all of said optical path turning systems including an even number of reflection surfaces, wherein the optical path turning system, which is the farthest away from the polygonal mirror includes a prism having two reflection surfaces, said first reflection surface being one of the two reflection surfaces of said prism. The combined limitations as currently claimed are not taught by the prior art of record considered alone or in combination.

Claims 2-12 and 15-17 are allowed because they are directly or indirectly dependent from claim 1 above.

Art Unit: 2861

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
